

Aerovent's new Model CHF delivers superior AMCA-certified performance with lower energy consumption across a broad operating range, backed by over 50 years of proven reliability.

THE NEW BENCHMARK FOR EFFICIENCY IN HOUSED CENTRIFUGAL FANS.

ONE FAN.
ENDLESS APPLICATIONS.

Key Benefits

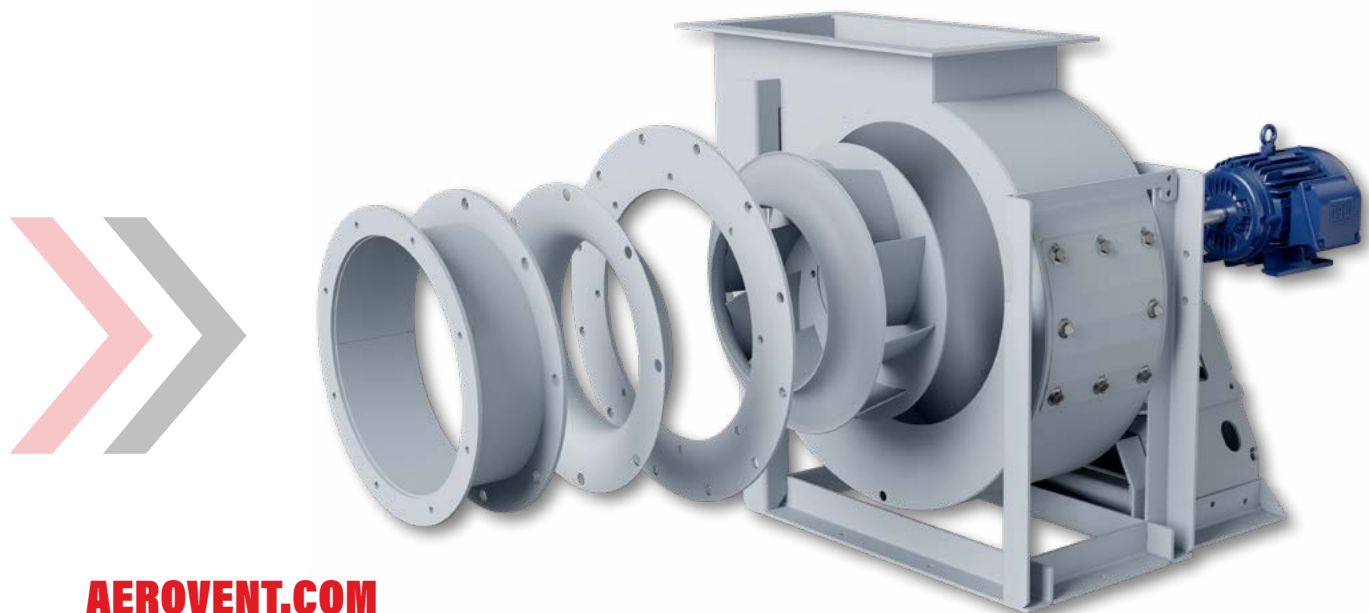

- Innovative impeller design
- More air. Less power.
- Built for high static pressure
- AMCA-certified performance
- Lower energy. Lower lifetime cost.

Applications

- Industrial Ventilation
- Dust Collection
- Clean Air Systems
- Process Air
- OEM Solutions

Innovation That Performs

Designed with a unique impeller and optimized airpath, Model HCF delivers higher efficiency across real operating conditions. It redefines what's possible in housed centrifugal fans.
